

## Pegasus Winged Rudders

Poseidon Pegasus Winged Rudder Size Table – measurements in mm					
Type	A	B	C	D	E
70	350	525	400	70	225
80	450	675	500	80	300
90	550	825	625	90	400
100	650	975	750	100	500
120	750	1125	825	120	575
140	850	1275	950	140	650

Poseidon Pegasus Winged Rudders are specially designed to improve performance at higher speeds. Reinforced polyester shell in combination with welded metal cage and shaft are built to meet rules of Lloyds and ABS. Pegasus Winged Rudders offer the following advantages:

- Weight Savings and improved vessel trim at speed.
- Increased steering control and stability at high speeds.
- Dramatic Noise and Vibration reduction through reduced cavitations and turbulence.
- For use in new or existing construction
- Supplied with either GRP, steel or aluminum rudder tube housing to suit any project.
